### Picking Up Shares

You are responsible for picking up your share or shares from Prairieland Market (305 E Walnut St., Salina) each week. **Shares that are not retrieved within the pickup time will be forfeited.** Members will be assigned their pickup day alphabetically by surname, as follows:

**Surname A through J → Wednesday, 2 p.m. to 6 p.m.**

**Surname K through Z → Thursday, 2 p.m. to 6 p.m.**

If you are unable to make the pickup day you are assigned, please contact us at [prairielandcsa@gmail.com](mailto:prairielandcsa@gmail.com) right away to work out an alternative arrangement.

## Our Growing Practices

At Prairieland, sourcing locally is our top priority. This means that the produce you will receive is not necessarily organic. However, all our growers believe in healthy, sustainable food. The Crop Coordinator will be available to answer your questions on pick-up days, and the website will feature descriptions of each farm. There will be multiple opportunities to meet your growers at pickup as well, and at farm tours to be scheduled throughout the season.

## Our Shared Commitment

We will do our best to provide you with an abundant variety of quality produce each week. However, extreme weather, pests, or other production factors may make this difficult some weeks. By joining our CSA, you agree to accept the risk of crop uncertainty. In the event of crop failure/shortage, we will fill the loss with other local crops ready for harvest, or by including more of other items.

**To sign up**, please download, complete, and email this form to [prairielandcsa@gmail.com](mailto:prairielandcsa@gmail.com).
